- Swivel union fittings for better sealing and more flexibility at installations.
- Unions included 50mm ID.
- Discharge is 90 rotatable.
- 1.5 meter long cord with EU plug included for ease of installation.
- TEFC motor for long life, IP55 rated motor Thermally protected.
- 304SS Shaft extension.
- Self-priming for quick, easy start-up.
- Additional drain plug for servicing pump housing.
- Large basket to hold debris made in HDPE for long life and durability.

The perfect choice for all types of pools, the **FreeFlo™** was specifically designed to be your best choice for a variety of above-ground and small in-ground pool applications.

Thick walled body parts, a heavy duty motor, and highly engineered hydraulics make this rugged and tested design perfect for any pool. The new FreeFlo is a mono-block design allowing it to run more silent and requiring less footprint space. FreeFlo is a drop in replacement for the Swimmey Pump series.
